Why SNSG?

- We feature in the top 3% of all ACS security providers in the UK.
- We have over 600 motivated and holistically trained employees.
- We deploy consistent staff
- We listen to you and use this to implement best practice.
- Dedicated team who understands the importance of communication between our business and yours.

Are you

- ✓ An operator within the NTE in need of a consistent and professional Door Supervision team?
- ✓ A safety officer requiring adequately trained and qualified spectator safety stewards?
- ✓ A property manager requiring support to tackle ASB across your portfolio?
- ✓ Looking to enhance your customers experience with an outstanding front of house service with unrivalled customer service qualities?

If so, SNSG can develop a bespoke service exceeding your expectations within a realistic and achievable budget

At SNSG we pride ourselves on a bespoke service.

We not only deploy over 600 SIA trained employees but also employees who are specifically trained to deliver excellent customer service to each and every site. SNSG's employees are motivated, consistent and take ownership of their

role and suitably reflect not only SNSG values and ethos but also yours.

Our management team and control centre are available 24/7 so you will always have someone to talk to should you need it. SNSG will always support and listen to you and your business needs and implement best practice.
